To create anonymous, aggregated or de-identified data. We may create anonymous, aggregated or de-identified data from your personal information and other individuals whose personal information we collect. We make personal information into anonymous, aggregated or de-identified data by removing information that makes the data personally identifiable to you. We may use this anonymous, aggregated or de-identified data and share it with third parties for our lawful business purposes, including to analyze and improve the Products and promote our business.

HOW WE SHARE YOUR PERSONAL INFORMATION

We do not share your personal information with third parties without your consent, except in the following circumstances or as described in this Privacy Policy:

Affiliates. We may share your personal information with our corporate parent, subsidiaries, and affiliates, for purposes consistent with this Privacy Policy.

Service providers. We may share your personal information with third party companies and individuals that provide services on our behalf or help us operate the Products (such as customer support, hosting, analytics, email delivery, marketing, payment processing and database management services). These third parties may use your personal information only as directed or authorized by us and in a manner consistent with this Privacy Policy, and are prohibited from using or disclosing your information for any other purpose.

Third-party platforms and social media networks. If you have enabled features or functionality that connect the Service to a third-party platform or social media network (such as by logging in to the Products using your account with the third-party, providing your API key or similar access token for the Products to a third-party, or otherwise linking your account with the Products to a third-party's services), we may disclose the personal information that you authorized us to share. We do not control the third party's use of your personal information.

Other Users of the Products and the Public. We may provide functionality that enables you to disclose personal information to other users of the Service or the public. You may also be able to submit content to the Service (such as comments, reviews, surveys, blogs, photos, and videos which you may display using our digital signage software). We may make available settings through the Account management page that enables you to exercise choice regarding certain information that is displayed publicly or to other users. We do not control how other users or third parties use any personal information that you make available to other users or the public.

Professional advisors. We may disclose your personal information to professional advisors, such as lawyers, bankers, auditors and insurers, where necessary in the course of the professional services that they render to us.

For compliance, fraud prevention and safety. We may share your personal information for the compliance, fraud prevention and safety purposes described above.

Business transfers. We may sell, transfer or otherwise share some or all of our business or assets, including your personal information, in connection with a business transaction (or potential business transaction) such as a corporate divestiture, merger, consolidation, acquisition, reorganization or sale of assets, or in the event of bankruptcy or dissolution.

YOUR CHOICES

In this section, we describe the rights and choices available to all users. Users who are located within Europe and other users whose personal data is processed in the context of our operations in Europe can find additional information about their rights below.

Access or Update Your Information. If you have registered for an account with us, you may review and update certain personal information in your account profile by logging into the account.

Opt out of marketing communications. You may opt out of marketing-related emails by following the opt-out or unsubscribe instructions at the bottom of the email. You may continue to receive service-related and other non-marketing emails.

Cookies & Browser Web Storage. We may allow service providers and other third parties to use cookies and similar technologies to track your browsing activity over time and across the Service and third party websites. For more details, see our [Cookie Policy](#).

Targeted online advertising. Some of the business partners that collect information about users' activities on or through the Products may be members of organizations or programs that provide choices to individuals regarding the use of their browsing behavior or mobile application usage for purposes of targeted advertising.

Users may opt out of receiving targeted advertising on websites through members of the Network Advertising Initiative by clicking [here](#) or the Digital Advertising Alliance by clicking [here](#). European users may opt out of receiving targeted advertising on websites through members of the European Interactive Digital Advertising Alliance by clicking [here](#), selecting the user's country, and then clicking "Choices" (or similarly-titled link). Users of our mobile applications may opt out of receiving targeted advertising in mobile apps through participating members of the Digital Advertising Alliance by installing the AppChoices mobile app, available [here](#), and selecting the user's choices. Please note that we also may work with companies that offer their own opt-out mechanisms and may not participate in the opt-out mechanisms that we linked above.

In addition, your mobile device settings may provide functionality to limit our, or our partners', ability to engage in ad tracking or targeted advertising using the Google Advertising ID or Apple ID for Advertising associated with your mobile device.

If you choose to opt-out of targeted advertisements, you will still see advertisements online but they may not be relevant to you. Even if you do choose to opt out, not all companies that serve online behavioral advertising are included in this list, so you may still receive some cookies and tailored advertisements from companies that are not listed.

Do Not Track. Some Internet browsers may be configured to send "Do Not Track" signals to the online services that you visit. We currently do not respond to "Do Not Track" or similar signals. To find out more about "Do Not Track," please visit <https://allaboutdnt.com/>.

Choosing not to share your personal information. Where we are required by law to collect your personal information, or where we need your personal information in order to provide the Products to you, if you do not provide this information when requested (or you later ask to delete it), we may not be able to provide you with our services. We will tell you what information you must provide to receive the Products by designating it as required at the time of collection or through other appropriate means.

Third-party platforms or social media networks. If you choose to connect to the Products via a third-party platform, you may have the ability to limit the information that we may obtain from the third-party at the time you login to the Products using the third-party's authentication service or otherwise connect your account. Subsequently, you may be able to control your settings through the third-party's platform or service. For example, you may access and change your settings through the Google [permissions page](#) for Apps and Websites. If you withdraw our ability to access certain information from a third-party platform or social media network, that choice will not apply to information that we have already received from that third-party.
